I am opposed of the sweep of funds

there is so little left in this world to enjoy in peace!  
please leave the funds which support our parks and open spaces.  
if you need money...catch up with all the old broken systems that give our tax dollars to fakers of people who know how to use the system :( I see it everyday in my office :(  
I went hiking yesterday and today. and I am going tomorrow. we hiked with 50 people today. Hurd Park was beautiful. and so was Hammonasette.  
please leave our parks alone!

thank you
