

Please regard my support for Senate Bill 128 to reduce wasteful and excessive spending. Years ago, this state got along just fine WITHOUT revenue from the casinos, WITHOUT an income tax, WITHOUT ridiculous tax on gasoline. This state does not have a revenue problem, it has a spending problem and every taxpayer knows it. We will take note of how all of you vote on this bill. Good luck getting back into office at next election if you don't vote the way we taxpayers demand.

Thank you.
