

Testimony in FAVOR of Senate Bill 816

To whom it may concern,

My husband and I have been residents of Haddam since 2007. We currently live at 22 Teaberry Court in Higganum.

We are very proud of the schools in our town, in fact the schools in Haddam are a huge part of the reason that we moved here eight years ago.

We were very confused and disappointed when we learned about the reduced school funding that our town receives in comparison to other towns of similar population, with no apparent reason for this discrepancy.

Please help us to continue to provide excellent education in Haddam without additional burden on its taxpayers by passing this bill and giving Haddam a chance at equitable funding.

Thank you,  
Lauren and Robert Braren
