Sen. Linares, Art
Senate Bill 816

I support Senate Bill 816, and I know I speak for all other Haddam residents as well. The current state law is unfair and doesn't distribute state funding as part of the state's cost sharing grant equally. This seems like a no-brainer and I am not sure why this would even be debated. Each town should receive equal funding on a cost sharing basis.

Thank you for your time and consideration,
