Sen. Linares, Art
Senate Bill 816

As a citizen of Haddam, CT I am writing to urge support of Senate Bill 816 that if enacted would provide equality in education funding for Haddam. Currently Haddam tax payers are burdened with a inappropriate share of education funding when compared to surrounding towns. Again, I urge you to support Senate Bill 816 and fairness in State education funding.

Thank you,
Russ Nuthmann
