Introducer(s):
Judiciary Committee

Title: AN ACT CONCERNING FIREARM SAFETY.

Statement of Purpose: To amend provisions concerning the safe storage of firearms and associated liability and penalties to be applicable to the storage of unloaded firearms and to extend liability to any person, rather than just minors or residents ineligible to possess a firearm, and to provide for additional oversight by the court governing the return of firearms or ammunition seized from a person considered to present a risk of imminent physical danger to himself or herself or another.
