

My name is Kathleen Yu, and I am the parent of a gifted child who resides in Greenwich, CT. I am very much in support of Senate Bill No. 1055 (RAISED) AN ACT CONCERNING GIFTED AND TALENTED STUDENTS, and I applaud the effort to create this position as well as technology to supplement teacher-assisted learning in the classroom.

This person could work with group such as the CAG to:

- Identify and nurture high-potential learners.
- Create a viable cadre of mentors and professionals within CAG who can advocate for these kids at their schools to create an optimal learning environment.
- Create an online secure network for these kids to talk to each other for companionship and idea sharing.

I thank you for your consideration and please do not hesitate to contact me if you have any questions.

Regards,

Kathleen Yu
