Education Committee Public Hearing

Bill # 1096 : AN ACT CONCERNING CHARTER SCHOOLS.

My name is Chris Simo-Kinzer and I am a concerned parent of 3 in the Plymouth public school system.

It is unacceptable that our tax dollars are going to fund charter schools that have no local BOE control. This bill appears to put a freeze on the approval of any new charter schools. Any and all PUBLIC funds should be going only to PUBLIC schools.

Thank you
