

Dear Co-chair Kennedy, Co-chair Albis, and Honorable Members of the Environment Committee,

Please accept this testimony in **SUPPORT SB 361 with the addition of language that would prevent gestation crates from being used in Connecticut.**

Additionally, I **OPPOSE Sunday hunting (HB 6034)**, because I want my one day of peace in the woods and because bow hunting is inhumane (high crippling rate), and I **SUPPORT HB 5707**, which would provide adoption opportunities for dogs and cats used in certain experiments and which would define outdoor sheltering standards for dogs.

Yours truly,
Beverlee Bartha
