Subject: SB928 An Act Concerning Shared Clean Energy Facilities

Follow Up Flag: Follow up
Flag Status: Flagged

Dear Committee Chairs Senator Doyle and Representative Reed, and Committee Members:

1. Solar, wind and small hydro are clean energy producers.
2. Most people are not in the position to install their own clean energy source.
3. Shared clean energy facilities will:
 - A. Allow more people to be a part of the clean energy movement,
 - B. Encourage the small business and private investment clean energy economy.
 - C. Make clean energy more affordable.

Please support the passage of SB928.

Thank you,
Barbara Backman
Vice-president, PACE (People's Action for Clean Energy)
