

Testimony of Rebecca Lobo Rushin  
Executive and Legislative Nominations Committee  
March 24, 2015

Good day Senator Duff, Representative Janowski, Senator Looney, Representative Buck-Taylor and members of the Executive and Legislative Nominations Committee. My name is Rebecca Lobo and I appreciate the opportunity to appear in front of you today regarding my reappointment to the UConn Board of Trustees by Governor Malloy.

I was born in Connecticut and graduated from the University of Connecticut 20 years ago. My husband and I now live in Granby with our four children -ages 10, 8, 6 and 4.

I have served on the Board for the past ten years and I am currently a member of the Academic Affairs Committee, Building and Grounds Committee and Compensation Committee.

I feel I bring a unique perspective to the board. I am not only a former athlete and alum of the University, but I am a Connecticut taxpayer and parent of children who will be considering their college options in just a few years. I take great pride in the fact that, wherever I go, I am associated with UConn.

I would love to continue to give back to the University that has provided me with so many opportunities. I appreciate your time and consideration today.
