

To the Finance, Revenue & Bonding Committee:

As a member of Bike Walk Connecticut, I support the Governor's proposals to develop and fund a first-rate active transportation network of bike lanes, greenways, multiuse paths, and pedestrian infrastructure in Connecticut. Please support HB 6840.

I have just recently moved from Santa Cruz, CA. I miss the ease of riding a bike safely. It is also my hope that the residents of CT will become more pedestrian & bike friendly. Attitudes & waistlines would both benefit with more options for safe outdoor engagement!
