Please support HB 7054, An Act Concerning Keno. This bill will help my business by giving our company more reasons to visit our store. We are 7 miles from the RI border which has Keno. Many customers who frequent our restaurant "The Galley" at McQuade's would love to have this as an entertainment option. Giving customers more options to visit our store versus going to RI will only help the CT economy grow, with many small steps towards keeping dollars in CT. Thank you for your consideration.
