To whom it may concern,  
I'm writing today to voice my support for HB7054. Allowing our café to offer this new and exciting form of entertainment would be hugely beneficial to our small business. Passing this bill would help us bring more people to our downtown, enable us to hire additional staff, and of course increase our bottom line. As a tax payer in Connecticut I feel we all struggle will feeling over burdened by taxes but also knowing the state has a large deficit to fill. By passing HB7054 you will give the people of Connecticut the ability to pay down that debt in a way they will enjoy while also helping small business and employment numbers.

Thanks for your time and consideration
