

Please note my opposition to House Bill 7054.

I have come to learn that Keno:

- Is a form of gambling which preys upon the most vulnerable in our society.
- Has been referred to as a "misery tax" and "video crack."
- Is a bad bet for our state, which is seeking to increase revenue in any way possible.

Problem gambling leads to debt, bankruptcies, broken families and crime.

Thank you for your consideration,
Maria O'Donnell
