

I understand the government of the State of CT has pressing income needs, but keno gambling is not the way to go. It would be stealing from the poorest of our citizens. It's bad enough we have the 20 different types of Lotto, the 2 casinos in the state and the ubiquitous 'scratch cards' to move money from the poorer citizens to the state. But to add Keno to that roster would only harm this state.

Please do not legalize or 'authorize' legal Keno gambling in the State of CT.

Sincerely,  
Michelle Levesque
