

I would like to express my opposition to Keno gambling as it is yet another form of taxation that preys upon those who can least afford to through there limited resources away on yet another false hope. Gambling is a disease. It leads to debt, crime and broken homes. Yet our state perpetuates it. Why is it illegal for an individual to run a Numbers Racket yet our states runs the biggest numbers racket ever. No more gambling in our state.

Regards,

Patrick DeGrosse
