Please Support HB7054 An Act Concerning Keno

This bill is important for my business because my store is located approximately 1 mile from the Massachusetts border. I find myself in constant competition with the Commonwealth of Massachusetts; when taxes increase, whether its sales or cigarette or beer, it affects me. Water bottle deposits affect me as well as the Beer sales laws. I support getting Keno because a large amount of my customers are migrating to Massachusetts to play their Keno and are spending Connecticut money in Massachusetts. This money along with the additional sales of coffee,soda etc. while these customers would be in my store would mean more working hours for my employees as well as more profits and ultimately more money for the state of Connecticut. I would appreciate your support for this bill.

Thank You
