Re: Please support HB 7054, An Act concerning Keno

It's come to my attention that Keno is once again being debated for allowance in the State of Connecticut. As a small business owner, I would like to express my enthusiasm for the approval of Keno. Both the neighboring states of Rhode Island and Massachusetts have it already, and after speaking to friends who own similar businesses, they have benefitted from its installment. Gambling is a form of entertainment, and many of my patrons have shown interest, and would love to play it in venues that they frequent. We at the Gatehouse Tavern are looking forward to a successful year with Keno!

Sincerely,

Shawn K. Arsenault
