

Dear Legislators:

We were promised that NO STATE TAXPAYER DOLLARS would be spent on bringing a minor league baseball team from New Britain to Hartford, and building a new stadium in Hartford. I saw baseball games in New Britain and very much enjoyed the experience, and would go to New Britain again for baseball games. I am NOT IN SUPPORT of using taxpayer dollars to fund the move from New Britain, which had a perfectly good stadium, to Hartford.

PLEASE VOTE NO on State Bill 1132.
