

From: Paul Bartus

Town: Tolland

Testimony:

The new owners of the Rock Cats/Yard Goats should not receive state funding. Harming one Connecticut city to benefit another should not be tolerated. The New Britain Stadium is still beautiful and \$8 M in state financing used for that project for the same team. How many times do we have to pay to house this team? The current owners are greedy... let them take Springfield's money. I will never set foot in the Goat Yard.
