

I am opposed to the new stadium being built in Hartford for the Yard Goats and I am definitely opposed to bill 1132 which wants to fund this disaster with taxpayer dollars. Not one dollar should come from the taxpayers. A minor league team affiliated with MLB should use there own money to build a stadium..**NOT MY MONEY!!!!** **NOT MY FAMILY AND FRIENDS MONEY!!!!!!!!!!** I hope that came in loud and clear. Using our money would the same as **STEALING** from the taxpayers of the state of ct.

Most sincerely,
