Proposed H.B. No. 5174 AN ACT ESTABLISHING A CHILDREN'S STATE FLOWER.

Dear Committee Members,

I think the four o'clock flower should be the Connecticut children's state flower because Michaela was so important and special and this would be a great way to remember her. Also the four o'clock flower is very beautiful and unique and would be a great flower to be the children's state flower. Michaela was a bright young girl and would of loved for the four o'clock flower to be so important and recognized as such a wonderful plant. The last reason the four o'clock flower should be the Connecticut children's state flower is because it would be a great way to respect Michaela.

Sincerely,

Jane Gustafson
