To Whom It May Concern:

This letter is being written to you to show our support and encourage the legislators to act favorably in establishing the Four O'Clock Flower as the CT Children's State Flower, as is being proposed in H.B. 5174-An Act establishing a Children's State Flower.

The Petit Foundation has been working endlessly to keep Michaela's love for the Four O'Clock Flower evergrowing. The passage of this Bill would ensure that the memory of Michaela's love for the flower would last forever.

My wife has been growing these flowers as a tribute to Michaela and the entire Petit family for a few years now and knowing that the Four O'Clock flower is the Children's State Flower makes my wife's garden all the more special.

Thank you,

Vinny and Lovey Pitaro
