Subject: I support HJ64

Good evening , my name is Patrick St.Germain ,and I am in support of HJ64 . I believe our government has truly stepped away from the roots in which our forefathers intended so long ago.

I believe in our country with all my heart, but also believe over the years as a country we have lost our way from the path of right and instead followed the crowd to what's easy. We our forefathers envisioned what is now the greatest country in the world, some people never imagined just how great this country would be but here we are today. Help our country get back to our roots ! Back to free and fair elections, and let get money out of politics. Thank you for your time ..

Sincerely,

Patrick C. St.Germain
