Connecticut Association of Health Plans

Testimony in Opposition to

**HB 6736 AA Prohibiting the Setting of Payments by Health Insurers and Other Entities for
Noncovered Benefits**

The Connecticut Association of Health Plans respectfully urges the Committee's rejection of HB 6736. To the extent that health plans negotiate these types of arrangements with providers, they are mutually agreed upon documents and the discounts provided accrue to the benefit of consumers which should be considered a positive outcome in our collective mission to keep health care affordable.

Thank you for your consideration.
