Subject: I SUPPORT HB 6187 AN ACT CONCERNING COURT PROCEEDINGS AND THE PROTECTION OF ANIMALS

To Whom This Should Concern

I am writing to ask you to support the protection of all sentient beings. Abuse on any level is illegal and immoral and should be taken seriously. Animal abusers will certainly abuse humans. Please help create a life that is safe for everyone and not a life that is vulnerable to the sadness and abuse that we see all over the world all the time. Every living being should be properly protected and represented by the law. Thank the you for following your heart guidance. Please feel comfortable to contact me for any reason. Blessings and namaste
