Testimony Concerning HB6187 and SB1128

Judiciary Committee DATE: April 1, 2015

Amanda Fisher  
Strays and Others, Volunteer in New Canaan CT

I would like to thank the Judiciary Committee for the opportunity to express my support of HB6187, ***AN ACT CONCERNING THE PROTECTION OF ANIMALS THAT ARE THE SUBJECT OF CRIMINAL COURT PROCEEDINGS*** and SB1128 ***AN ACT PROHIBITING THE USE OF ACCELERATED REHABILITATION IN THE CASE OF ANIMAL ABUSE.***

I care about animals and devote much of my free time outside of my work and family life to care for homeless cats and dogs. I knew that I wanted to make a difference in the lives of these sweet souls when I heard the most horrific form of animal cruelty on the news one morning. Two roommates were arguing and as revenge one roommate took the baby kitten and put her in the oven and burned her alive. I still get chills and tears when I think about that story. Something needs to be done to the monsters that commit these acts. I vow to always be a voice for these animals. Please help and pass these two bills. These animals are counting on you.

Thank you for giving me an opportunity to testify and I do hope you will strongly support this important piece of legislation.

Thank you,  
Amanda Fisher
