Subject: Support of bills 650, HB 6848 and HB 6962

While I cannot be there in person tomorrow, I **STRONGLY** support the above bills on safe storage and limiting access to guns for domestic violence offenders.

Living in Newtown, I know all too well the harm that can come from easy access to guns. This is all common sense and I wish that common sense legislation didn't require such a fight. Safe Storage....simple and limiting access to guns from people with restraining orders, obvious.

Thank you
