Judiciary Committee:

Please consider RECOMMENDING that Bill 7015 be PASSED.

Government should not intrude into the lives of citizens to this extent. Each person should have the right to choose how they end their life. Those who oppose would act as though passage of this Bill would constitute murder or, at the very least, simply be an expedient way to terminate, and thus not prolong, an uncomfortable situation.

Rather, it is another option that an individual may, or may not, choose. It SHOULD be an option and it is not for Legislators to decide. It is for the individual to decide.

Thank-you for your consideration,

"The rifle itself has no moral stature, since it has no will of its own. Naturally, it may be used by evil men for evil purposes, but there are more good men than evil, and while the latter cannot be persuaded to the path of righteousness by propaganda, they can certainly be corrected by good men with rifles."
