I'm Patricia Hannigan, I was born and raised in Greenwich, CT and for the past 15 years have lived in Danbury, CT.

I feel very strongly that Bill 7015 would be a positive thing for the citizens of CT.

To allow a physician to dispense or prescribe medication at the request of a mentally competent patient that has a terminal illness that such patient may self-administer to bring about his or her death... **is a right we deserve to have.**

Thank you for your consideration in this matter.
