Subject: Fw: Senate Bill 668

Dear Mr. McLachlan, I am writing to ask you to do everything in your power to defeat Senate Bill 668. It is appalling that the government in Connecticut would legalize assisted suicide. It is nothing more than murder. It is an affront to life and to God and to every civilized human being. I would be very grateful, as would all of my family and friends, if you and those other, very concerned politicians in Hartford who have a shred of decency left in them, oppose this bill with all the force that can be mustered.

With my sincerest appreciation and thanks for your efforts,
