Subject: Raised Bill 7015

I would like to think that CT is a progressive state giving voters choices whenever possible.

The right to die seems to be a basic human right.

Why do we avoid letting our animals suffer when the end is near without their vote, yet we don't give human beings who are suffering an opportunity to make a clear and informed decision regarding their own body. Move ahead with giving CT citizens the right to die!

Dear friends and neighbors,

On Wednesday, March 18th, the legislature's **Judiciary Committee** will be holding a public hearing on Raised House Bill 7015, **AN ACT CONCERNING AID IN DYING FOR TERMINALLY ILL PATIENTS.**

This is a controversial bill which can be an emotional subject for many. The bill would allow a physician to dispense or prescribe medication at the request of a mentally competent patient that has a terminal illness.

The patient could then self-administer the medication to bring about his or her death.

If you would like to have your voice heard on this bill, you can testify in person or in writing.

DATE: **Wednesday, March 18th, 2015**

TIME: **10:30 AM**

LOCATION: **Room 2C of the Legislative Office Building**

HOW: Sign-up for the hearing will begin at 8:30 A.M. Please submit 35 copies of written testimony to Committee staff when you sign up.

If you do not have prior experience testifying at a legislative public hearing, [check out this link on the CGA website](#); it explains the process.

If you cannot attend the March 18th public hearing, you may submit written testimony in Word or PDF format by email to judgetestimony@cga.ct.gov. The email may be as brief as you like. Make sure to put "Raised Bill 7015" in the email's subject line. Finally, please copy our offices on the email.

Best Regards,
