Cc: Sen. McLachlan, Michael
Subject: Bill 7015

I am a retired registered nurse & am very much opposed to this proposed bill. I was very proud when the legislators of Ct. abolished the death penalty; if these same legislators now report this bill out favorably I will no longer be proud. I cared for both my father & my husband with the assistance of Hospice & felt they died with comfort & dignity. Please do not let this bill come out of committee.
