

Gentlemen:

As a long time resident of Ridgefield, CT. I am appalled that you would consider making assisted suicide legal in CT. Life is precious gift from God and only God determines life and death. I would strongly suggest that you should instead be focusing on increasing access to hospice care, adequate staffing in nursing homes and required training in pain management.

Lawmakers,

Our country is already going to "POT" in more ways than one.....

We are already killing babies in more ways than one.....

Can you please let us ADULTS DIE IN PEACE....whenever God decided we need to join HIM?

THANK YOU, SO VERY MUCH AND GOD BLESS YOU.....
