Subject: March 11, 2015 Hearing on Bills SB 650, HB 6848, and HB 6962

Good morning,

I would like to make my feelings on Bills SB 650, HB 6848, and HB 6962 known.

These bills place an undue burden on lawful firearm owners while doing nothing to keep firearms out of the hands of criminals and the mentally ill.

These bills would also make criminals of citizens defending themselves and their loved ones from criminals, and deny the protections guaranteed under the Bill of Rights that says we are innocent until proven guilty.

I strongly urge you to vote against these bills.
