Hi. I support these three bills and strongly urge you to help pass them. These are common sense bills. Safe storage of guns and keeping guns away from those who have shown violent tendencies should be a top legislative priority. They are positive for society and do not infringe on law abiding citizens and their rights. Do you know that guns, and people who shouldn't have guns, kill twice as many kids as cancer each year (<http://www.usatoday.com/story/news/nation/2013/04/11/guns-child-deaths-more-than-cancer/2073259/>)? I know you support efforts to reduce the cancer epidemic. Well, you are in the enviable position, and you possess the responsibility to do more to help reduce the gun violence epidemic as well. Please fulfill your responsibilities by supporting these life-saving bills.

Thank you,  
Steve Lackey
