Subject: I OPPOSE bills SB00650, HB06962, HB06848

I strongly oppose SB00650, people will misuse this by falsely accusing people for no reason, all you have to do is look at the stats of how many people actually get granted a restraining order, law abiding gun owners will have their guns taken away under false pretenses for up to a year! That is not right! This is supposed to be The constitution state! It's becoming the unconstitutional state!

I also strongly OPPOSE HB06962 and HB06848 if you want a reason feel free to go to the CCDL website there are plenty of reasons there.
