Dear Madame/Sir,

As a responsible, law-abiding citizen and firearm owner, but most importantly American who loves his country and this state I urge you to oppose **SB 650, HB 6848 and HB 6962.**

The 2nd Amendment of our greatest country in the world states that RIGHT TO KEEP AND BEAR ARMS SHALL NOT BE INFRINGED. We, as American People have obligation and duty to defend the Constitution from both foreign and domestic enemies. With all due respect, anyone who even considers to pass such heinous laws should be prosecuted in the court of law for violating the Constitution of the United States. The Supreme Law of the Land has to be protected and guarded against such attempts. Therefore once again please oppose this unjust, unreasonable and most importantly unconstitutional act. Why our representatives do everything in their power to take away weapons from law abiding citizens but in the same time do nothing to stop criminals in metro areas (Hartford, New Haven, Bridgeport) who ruthlessly shoot and kill people nearly every day.

Thank you for your consideration.

Sincerely,

Paul Wolf
