Subject: Oppose SB 650

To have a legally obtained firearm confiscated on a mere suggestion without due process is unconstitutional.

We aren't doing enough about illegal guns. Spend one night in the Bridgeport, CT projects or in Hartford. Heck, spend a night in one.

Take away all legal guns and the only issue you'll have are illegal ones. It's near sighted and irresponsible to attack people who do things the right way while not effecting the real problem, illegal guns, illegal use of guns, etc. Stop rewarding bad people with slaps on the wrist while taking my guns away on a mere say so.

We're going in the wrong direction. Focus on the issues. I oppose SB 650 and ask that you do too. Let's not run on fear or we should take cars away from drunks, knives away from.... The list is endless.

Thank you
Mike Robinson
