Subject: SUPPORT OF HB 6187 & SB 1128

I would like to thank the Judiciary committee for the opportunity to express my support of bills HB 6187, Desmond's law & SN 1128, prohibiting the use of accelerated rehabilitation in the case of animal abuse.

I am not very good with words, so I cannot write a lovely letter stating why I support these bills. I am just an animal lover who wants to do what's right for them. We need to stand up for the innocent & voiceless. Stand up to the maniacs that intentionally harm these beautiful lives.

I ask that you too support these very important bills for animals.

Thanks again for your time.

Sincerely,

Jennifer Claude
