**Subject:** Senate Bill 1129

I urge you to represent the "GOOD" citizens of CT, protect those who behave, follow the laws, pay their taxes, contribute to the positive.

The early release as written does nothing but send the message to those who repeatedly break law after law that BUDGET (spelled revenue stream) is more important than the safety and peace of mind of other citizens.

If, as you should, choose to cut the cost of government, do it where those who contribute benefit.

Respectfully,
