Subject: Senate Bill 1129

Good Afternoon.

Please give careful consideration to Senate Bill 1129 that proposes crucial revisions to the Early Prison Release program and are noted below.

The bill adds manslaughter, persistent dangerous felons and sex offenders, aggravated sexual assault of a minor, and assault of pregnant woman resulting in loss of fetus as crimes for which a person cannot earn risk reduction credits.

The bill would also require a prison warden to review and sign off on risk reduction credits earned by an inmate.

Thank you very much.

Sincerely,
