Subject: Senate Bill 1129

Dear Sir or Madam:

As a longtime and law abiding Connecticut resident I would like to voice my unqualified support for Senate Bill 1129.

Our society has become too lenient on criminals who are given second, third, or more chances to become productive members of the communities in which they live. Too often this proves not to be the case to the detriment of their additional innocent victims. I agree with the provisions of this proposed bill and would like to see perpetrators of the most heinous crimes kept behind bars to serve out the full term of their sentences.

Sincerely,

Thomas Mulrane
