**Cc:** Sen. Boucher, Toni  
**Subject:** Senate Bill 1129

Please support Senate Bill 1129 which adds manslaughter, persistent dangerous felons and sex offenders, aggravated sexual assault of a minor, and assault of pregnant woman resulting in loss of fetus as crimes for which a person cannot earn risk reduction credits and which also requires a prison warden to review and sign off on risk reduction credits earned by an inmate. This will help to avoid the release of dangerous criminals back into our communities - there have already been too many awful crimes committed by such.
