**Cc:** Sen. Kissel, John A.  
**Subject:** Senate Bill 1129

I support passage of this bill. Convictions of crimes such as manslaughter, persistent dangerous felons and sex offenders, aggravated sexual assault of a minor, and assault of pregnant women resulting in loss of fetus should not be rewarded. Requiring a prison warden to review and sign off on risk reduction credits earned by an inmate is an obvious and essential check and balance.
