Subject: senate bill 1129

This sounds like more re-elect-me-I'm-protecting-you fear mongering. Mandatory sentencing has been shown to be a disastrous failure from every angle but reelection. We choose our judges very carefully and most have long experience. Let's trust them to look at all the facts, not just that the wife was pregnant when the husband was sentenced for manslaughter on his drunk-driving conviction, etc. etc.
