Subject: Please approve the honorable Auden Grogin's for Superior Court Judge

Ms. Grogin is quite eminently qualified to become Superior Court Judge in the State of Connecticut. Please do not let the NRA and their followers tarnish her reputation or qualifications. That she voted in support of CT's new gun laws does not make her a tyrant, or someone who is unfair. Regardless of how she voted on a single bill, she has the experience and dedication to the law and to the people in Connecticut, and she deserves to become Superior Court Judge. Please do not be bullied by the NRA or those that fall in line behind them.

Thank you,
