**Subject:** Auden Grogin

Hello. I am writing this letter to urge you to seat Auden Grogin as a Superior Court Judge. She has fought for sensible gun safety laws and is being targeted (pun intended) by the NRA who is trying to block her confirmation. We can no longer call ourselves a Democracy when the NRA has so much power over our legislators & courts. Please ignore their campaign based on only their selfish intent & appoint her to the Superior Court!

Nancy King R.N.
