Subject: Support for Auden Grogins

Dear Members of the judiciary committee,

I'd like to lend my voice in support of Former Rep. Auden Grogins for the nomination to the court.

I have worked with Rep. Grogins over the last four years in the legislature and for the prior seven years while working in Congressman Chris Shays office in Bridgeport while she served on the Bridgeport City Council and Bridgeport Board of Education.

Auden always performed her duties with the highest level of integrity and ethical standards. She was a diligent official and repeatedly went above and beyond to research all related information to best represent her community. Auden has a reputation for hard work, common sense and as a highly respected attorney.

I fully endorse Auden Grogins nomination to the court.

Most sincerely,
Rep. Brenda Kupchick
132nd district
Fairfield.
